The March 2025 membership meeting of the NWVMA will be held on Wednesday evening, **March 12th**, at **Jake's Supper Club** on Tainter Lake, north of Menomonie. It is located at **E5690 County Road D, Menomonie, WI 54751**. See their website at: www.jakessupperclub.com for more information and a map.

Social time will begin at 5:00 PM. Our business meeting will begin at 6:00 PM and dinner will follow at approximately 6:30 PM. Our speakers will begin their presentation while we finish our dinner. We plan to be done by 8 PM. The cost is \$30 per person. Clinic staff and guests are welcome. **Please make your reservation(s) before March 10th**.

Our evening program will be about cruciate disease in dogs. Dr. Wilke is a diplomat in the American College of Veterinary Surgeons. She has studied the genetics of cruciate disease and is also certified in Veterinary Spinal Manipulative Therapy (VSMT). Her passion is the treatment of cruciate disease, and surprisingly not always with surgery. She will be accompanied by Mindy Bogie, CVT, CCRP, a certified rehabilitation practitioner who assists her in the treatment of dogs with cruciate disease, either conservative management or post-surgically. The program will count for one CE credit. We hope you can join us.
